Re: Whitestown Parkway Resurfacing Project
Bid Review and Recommendation
MEI Project No.: 2017049

Dear Mr. Lawson and Town Council:

We have reviewed the bids received for the above noted projects on July 11, 2017. Following is a detailed explanation for the base bids and the associated Engineer's recommendation. A bid tabulation is attached with this letter.

Three bids were received for the Whitestown Parkway Resurfacing project. All bids contained the required documents. The bids ranged from a low Base Bid of \$505,104.00 by Grady Brothers, Inc. to a high Base Bid of \$680,733.50 by Midwest Paving. The Engineer's estimate for this project was \$651,300.00. We find the bid of Grady Brothers, Inc. to be in order for the base bid. Based upon our review, we recommend that the Town of Whitestown award the proposed project to the lowest, responsive and responsible bidder, Grady Brothers, Inc. for the base bid amount of \$505,104.00.

Should you have any questions or need additional information, please advise. We hope that we can be of further service to you in the future.

Respectfully,

MIDWESTERN ENGINEERS, INC.

Andrew T. Miller, P.E.
Project Engineer
