RE: SR 267 and Indianapolis Road Traffic Signal Installation Recommendation Letter

Dear Council Members,

We have reviewed the construction bids for the above referenced project and found Morphey Construction, Inc. to be the lowest, responsive, and responsible bidder with an actual low bid of \$172,440.50.

Morphey Construction, Inc. has a history of similar projects and it is our belief that they are capable of completing the work as required. It is our recommendation that a Notice of Award be issued to Morphey Construction, Inc.

We appreciate the opportunity to be involved in this important project on behalf of the Town of Whitestown. If you have any comments or concerns, please contact the undersigned.

Sincerely,  
BUTLER, FAIRMAN, AND SEUFERT, INC.
