

WHITESTOWN BUILDING DEPARTMENT

ST. MARKS LUTHERAN CHURCH

The whitestown Building Department wants to notify The Town Council of a recent application for a remodel permit applied by St. Marks Lutheran Church located at 107 South Main St. in Whitestown. There need for a permit is due to severe water damage in the basement of the church and wanting to add an ADA compliant restroom. Keeping with the Towns commitment to community the Building Department along with the Planning Department and Dax Norton have all agreed to waive the application fee, permit fee and inspection fees.
