Mr. Norton,

My name is John Murphy and I live at 351 E. Pierce Street. I am sorry that I missed you today. I wanted to stop by and speak with you about the Alley on the West Side of my home. We have lived at 351 E. Pierce Street since 1998. During the last 17 years, the Alley has only been used as our Driveway. No one uses it as an Alley and the back half has turned back to grass. With the current Alley assessment being done by the town, it was a good time to ask that the Alley be vacated because it is no longer an Alley.

I am leaving this request with you to be presented at the next available Town Council Meeting. You have already spoken with my neighbor Mike at 401 E. Pierce Street. With the request I have added pictures of the Alley so you can see that it looks like a Driveway and not an Alley. The picture from Linville Ave just looks like someone's backyard. If you have any questions, please let me know. I will follow up with you in the next few days to see what the next steps are.

Thank you,
