**RESOLUTION OF THE WHITESTOWN REDEVELOPMENT COMMISSION
AMENDING THE DECLARATORY RESOLUTION ADOPTED JULY 7, 2014, WHICH
CREATED THE TOWN OF WHITESTOWN, INDIANA LEGACY CORE
REDEVELOPMENT AREA #1 TO ENLARGE THE AREA**

WHEREAS, on July 7, 2014 the Whitestown Redevelopment Commission (the "Commission") adopted its Declaratory Resolution (the "Declaratory Resolution") declaring an area of the Town of Whitestown, Indiana (the "Town") as the "Town of Whitestown, Indiana Legacy Core Redevelopment Area #1" (the "Original Redevelopment Area") to be an "area needing redevelopment" within the meaning of Indiana Code 36-7-14 and Indiana Code 36-7-25 (collectively, the "Act"), designating the entire Original Redevelopment Area as an "allocation area" (the "Original Allocation Area") for purposes of Indiana Code 36-7-14-39, and approving the Redevelopment Plan for the Original Redevelopment Area (the "Original Plan"); and

WHEREAS, on September 2, 2014, following a public hearing, the Commission adopted its Resolution No. 2014-10 confirming the Declaratory Resolution and confirming the Original Plan (the Declaratory Resolution, as so confirmed, the "Original Declaratory Resolution"); and

WHEREAS, a map of the Original Redevelopment Area is included in Exhibit A attached hereto and incorporated herein by reference; and

WHEREAS, the Commission has conducted an investigation and made studies of the conditions in the geographic area located on the near west/southwest side of the Original Redevelopment Area in the Town, which geographic area is described in Exhibit B attached hereto and incorporated herein by reference (the "Enlarged Area"); and

WHEREAS, based upon such investigation and studies of the Enlarged Area, the Commission has determined that (i) the Original Redevelopment Area and the Original Allocation Area should be enlarged to include the Enlarged Area and (ii) the Original Plan should be amended for purposes of including the redevelopment of the Enlarged Area; and

WHEREAS, the Commission finds that the Enlarged Area is an area needing redevelopment pursuant to the Act and that normal development and occupancy of the Enlarged Area is undesirable or impossible because of the lack of development, cessation of growth, deterioration of improvements, environmental contamination, character of occupancy, age, obsolescence, substandard buildings, and other factors that impair the values or prevent the normal use or development of the Enlarged Area; and

WHEREAS, the Commission has caused to be prepared maps and plats showing (i) the boundaries of the Enlarged Area, the location of various parcels of property, streets, alleys and other features affecting the acquisition, clearance, replatting, replanning, rezoning or redevelopment of the Enlarged Area, indicating that all parcels of property in the Enlarged Area are to be excluded from any acquisition list of the Commission and (ii) the parts of the Enlarged Area, if any, that are to be devoted to public ways, levees, sewerage, parks, playgrounds, and other public purposes under the Original Plan, as hereby amended; and

WHEREAS, the Original Plan, as hereby amended (the "Plan"), satisfies the criteria set forth in the Act for designating and enlarging a redevelopment area; and

WHEREAS, the Commission has prepared an estimate of the cost of the redevelopment of the Enlarged Area; and

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION THAT:

Section 1. The foregoing recitals are hereby incorporated by reference.

Section 2. The Original Redevelopment Area, as more particularly described in Exhibit A attached hereto and incorporated herein by reference, is hereby enlarged to include the Enlarged Area, as more particularly described in Exhibit B attached hereto and incorporated herein by reference. The list of parcels in the Enlarged Area is also included in Exhibit B. The Original Development Area, as enlarged to include the Enlarged Area (collectively, the "Redevelopment Area"), is more particularly described in Exhibit C attached hereto and incorporated herein by reference. The Commission finds that the Redevelopment Area is an area needing redevelopment for purpose of the Act.

Section 3. The Plan is hereby amended to include the amendments set forth in Exhibit D attached hereto and incorporated herein by reference (the "Enlarged Area Plan Amendments"), which Enlarged Area Plan Amendments amend the Plan to include, among other matters, (i) the boundaries of the Original Redevelopment Area and Original Allocation Area as enlarged to include the Enlarged Area, (ii) the projects for the Enlarged Area (the "Projects"), and (iii) the costs of the Projects which are estimated at \$10,000,000, inclusive of financing costs.

Section 4. The Plan for the Redevelopment Area, as hereby amended to include the Enlarged Area Plan Amendments:

- (a) Promotes significant opportunities for the gainful employment of the citizens within the Redevelopment District of the Town;
- (b) Assists in the attraction of major new business enterprises in the Town;
- (c) Benefits the public health, safety, morals and welfare of the citizens of the Town;
- (d) Increases the economic well-being of the Town and the State of Indiana; and
- (e) Serves to protect and increase property values in the Town and the State of Indiana.

ORIGINAL

Section 5. The Plan for the Redevelopment Area, as hereby amended to include the Enlarged Area Plan Amendments, cannot be achieved by regulatory processes or by the ordinary operation of private enterprise without resort to the powers allowed under the Act because of the lack of local public improvements and other similar conditions, specifically the Redevelopment Area lacks the necessary infrastructure improvements to encourage development of private enterprise, including streets, facades, streetside improvements such as sidewalks and street lighting, drainage, parks, trails, utilities, municipal facilities, economic development facilities and landscaping; the cost of such improvements prevents the improvements from being accomplished by private enterprise; and there is no regulatory process available to build infrastructure or provide incentives to encourage redevelopment or economic growth in the Redevelopment Area.

Section 6. The Redevelopment Area is a menace to the social and economic development interest of the Town and its inhabitants and it will be of public utility and benefit to redevelop the Redevelopment Area pursuant to the Act. Further, the public health and welfare will be benefited by the accomplishment of the Plan for the Redevelopment Area, as hereby amended to include the Enlarged Area Plan Amendments.

Section 7. The accomplishment of the Plan for the Redevelopment Area, as hereby amended to include the Enlarged Area Plan Amendments, will be of public utility and benefit as measured by:

- (a) The attraction or retention of permanent jobs;
- (b) An increase in the property tax base; and
- (c) An improved diversity of the economic base.

Section 8. The Plan for the Redevelopment Area, as hereby amended to include the Enlarged Area Plan Amendments, conforms to other development and redevelopment plans for the Town and is reasonable and appropriate when considered in related to the Original Plan.

Section 9. The Commission does not plan to acquire any parcels of property in the Enlarged Area. If and to the extent any residents of the Enlarged Area will be displaced by any Project for the Enlarged Area, the Commission will give consideration to transitional and permanent provisions for adequate housing for such residents, if any, in the Enlarged Area.

Section 10. The Commission estimates the cost of implementing the Plan for the Projects in the Enlarged Area will be approximately \$10,000,000.

Section 11. The Original Allocation Area is hereby enlarged to include the Enlarged Area (such Enlarged Area, the "Enlarged Allocation Area"). Maps of (i) the Original Allocation Area, (ii) the Enlarged Allocation Area and (iii) the Original Allocation Area together with the Enlarged Allocation Area, are attached hereto as Exhibit A, Exhibit B and Exhibit C respectively, which maps are incorporated herein by reference. This paragraph constitutes the "allocation provision" for purposes of Indiana Code 36-7-14-39. Any property taxes levied on or

after the effective date of this resolution by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the Enlarged Allocation Area (the "Enlarged Allocation Area Taxing Units") shall be allocated and distributed in accordance with Indiana Code 36-7-14-39 or any applicable successor provision (such allocated and distributed property taxes, the "Enlarged Area TIF"); provided, however, that seventy percent (70%) of such Enlarged Area TIF shall be distributed to the allocation fund of the Commission and thirty percent (30%) shall be passed through to the Enlarged Allocation Area Taxing Units. This allocation provision shall expire no later than 25 years after the date on which the first obligation is incurred to pay principal and interest on bonds or lease rentals on leases payable from tax increment revenues from the Enlarged Allocation Area.

Section 12. The Commission hereby finds that the adoption of the allocation provision in Section 11 hereof will result in new property taxes in the Enlarged Allocation Area that would not have been generated but for the adoption of the allocation provision contained in section 11 hereof. The improvements to be undertaken in the area are expected to result in the sale of certain parcels in the area which will be redeveloped and will become taxable parcels, thus resulting in new property taxes in the Enlarged Allocation Area that would not have been generated but for the adoption of the allocation provision contained in Section 11 hereof. Additionally, the current condition of the Enlarged Allocation Area is not amendable to development due to the condition of the Enlarged Allocation Area as hereinbefore stated and as further described in the Plan. The Commission has been advised by its staff that through the proposed redevelopment of the Enlarged Allocation Area such redevelopment will foster and encourage orderly economic development of the Enlarged Area which will result in new property taxes in the Enlarged Allocation Area that would not have otherwise occurred.

Section 13. The presiding officer of the Commission is hereby authorized and directed to submit this resolution and the Plan for the Redevelopment Area, as hereby amended to include the Enlarged Area Plan Amendments, to the Whitestown Plan Commission (the "Plan Commission") for its approval.

Section 14. The Commission also directs the presiding officer, after receipt of the written order of approval of the Plan Commission which has been approved by the Town Council of the Town to publish notice of the adoption and substance of this resolution in accordance with Indiana Code 5-3-1-4 and to file notice with the Plan Commission, Board of Zoning Appeals, Board of Public Works, Park Board, the building commissioner and any other departments or agencies of the Town concerned with unit planning, zoning variances, land use or the issuance of building permits. The notice must state that maps and plats have been prepared and can be inspected at the office of the Town's department of redevelopment and must establish a date when the Commission will receive and hear remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed project and will determine the public utility and benefit of the proposed project. Copies of the notice shall also be filed with the officer authorized to fix budgets, tax rates and tax levies under Indiana Code 6-1.1-17-5 for each taxing unit that is either wholly or partly located within the proposed Enlarged Allocation Area.

ORIGINAL

Section 15. The Commission also directs the presiding officer to prepare or cause to be prepared a statement disclosing the impact of the Enlarged Allocation Area which includes (a) the estimated economic benefits and costs incurred by the Enlarged Allocation Area, as measured by increased employment and anticipated growth of real property, personal property and inventory assessed values and (b) the anticipated impact on tax revenues of each taxing unit that it either wholly or partly located within the Enlarged Allocation Area (a copy of this statement shall be filed with each such taxing unit with a copy of the notice required under Indiana Code 36-7-14-17 at least 10 days prior to the date of the hearing described in Section 14 hereof).

Section 16. The Commission further directs the presiding officer to submit this resolution to the Town Council of the Town for its approval of the establishment of the Original Development Area, as hereby enlarged to include the Enlarged Area.

Section 17. All resolutions and parts of resolutions in conflict herewith are hereby repealed. The provisions of the Original Declaratory Resolution not amended hereby shall remain in full force and effect.

Section 18. The amendments made to the Original Declaratory Resolution hereby, are reasonable and appropriate when considered in relation to the Original Declaratory Resolution and the Original Plan and the purposes of the Act.

Section 19. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 20. This resolution shall be in full force and effect from and after its passage.

Adopted February 6, 2017.
