

STATEMENT OF WORK

This Statement of Work adopts and incorporates by reference the terms and conditions of the Master Services Agreement dated as of ,between Sondhi Solutions, LLC, an Indiana limited liability company (“**Sondhi Solutions**”) and Town of Whitestown, IN. This Statement of Work is effective beginning April 1, 2021 and will remain in effect until either it is terminated in accordance with the Master Services Agreement or all work contemplated under the Statement of Work is performed. Transactions performed under this Statement of Work will be conducted in accordance with and be subject to the terms and conditions of this Statement of Work and the Master Services Agreement. Capitalized terms used but not defined in this SOW have the meanings assigned to them in the Master Services Agreement.

SCOPE

Sondhi Solutions will provide the Client with managed cyber security (the “Services”). The following scope is intended to be a guideline to key tasks that are required to complete this project and are aligned with industry best practices for operational support, availability and security. The tasks and associated hours included within this scope have been provided below:

Your cyber security package includes:

- 24x7 Endpoint Detection and Response
- 24x7 SIEM Monitoring (Core Devices)
- Notification and alarms of potential incidents including remediation steps
- Monthly Cyber Newsletter
- Dark Web Monitoring
- Domain Name Service Filtering
- User Phishing Training
- Up to Eight Hours of Incident Response per month
- Annual Vulnerability Assessments

TERM

This agreement shall commence 7 days after signing by the parties and shall continue for one year. After the year term, client will be billed on a month to month basis. Termination after the one-year period can be conducted by either party with 30 days written notice.

COST

Sondhi Solutions will provide the following resources to Client at the following rates:
