Quote Terms

- Delivery of GrayKey requires the end-user's prior acceptance of Grayshift's End User License Terms Agreement ("EULA")

- Your acceptance of this quotation will indicate your acceptance of the terms of Grayshift's EULA, without exception or reservation. The EULA is available at <https://grayshift.com/terms>
- License Term = 12 months (includes unlimited extractions and software updates during the license term)
- The final invoice may include tax if applicable
- Your contract will start on 3/3/2020 and will end after license term 3/2/2021
- Please reference quote number on payment method

Payment Terms

- Purchase Orders: Non-payment after 30 days will result in a suspended license. License will be reactivated after full payment is received
- Credit Cards: Major credit cards accepted including Visa, Mastercard, and American Express
- Additional Information: Fees under this Agreement are exclusive of all taxes, including national, state or provincial and local income, use, sales, value-added, property and similar taxes, if any. Customer agrees to pay such taxes (excluding US taxes based on Grayshift's net income). In the case of any withholding requirements, Customer will pay any required withholding itself and will not reduce the amount paid to Grayshift on account thereof. As an example, if the price to be paid is \$100 but there is, for example, 10% withholding, Grayshift will still directly be paid \$100. The payor may need to "gross up" the overall payment so the amount due Grayshift after any withholding is \$100
