**Public Works Department – Sr 267 Watermain Relocation
February 2021 Town Council Meeting**

Expenditure exceeding \$5,000; NTE \$310,220 (Acceptance and approval of apparent low bid and alternate bid for the I-65 and Sr 267 Interchange Watermain Relocation and MS Consultants Construction Inspection Contract)

The SR 267 Watermain relocation is a project to relocate a 12" watermain for the 133 exit interchange improvements. The Base bid of \$228,781, the MS Consultants Construction Inspection Contract \$55,200 will be a 100% reimbursed from INDOT. The alternative bid for \$26,239 is for water pipe upsizing that is necessary for future growth, and will be paid out of water operating.
