

Public Works Department – GIS Equipment and Software Purchase

Expenditure exceeding \$5,000; NTE \$15,000. Acceptance and approval to purchase two Trimble R2 units, equipment and software. The DPW Inspections department currently has one R2 to perform all GIS work. Due to the rate rapid rate of infrastructure being installed, it is no longer possible to use our single R2 to GPS infrastructure as it is being installed. By purchasing these additional 2 units, each inspector will be able to GIS all infrastructure as it is being installed.
