WHEREAS, the Town Council desires to clarify the 2020 Salary Ordinance to correct a scrivener’s error in the calculation of emergency differential pay for exempt employees.

NOW, THEREFORE, BE IT ORDAINED by the Town Council of the Town of Whitestown, Indiana, as follows:

1. Section 7 of the 2020 Salary Ordinance is hereby corrected and restated as follows:

Emergency Differential Pay for Exempt Employees. Exempt-Salaried employees will receive emergency differential pay during a declared emergency for each hour worked greater than forty (40) hours in the applicable payroll week, provided that the employee was required to work the additional hours during and as the result of a declared emergency. For purposes of this section, a declared emergency includes dates (i) during which the Town Council President or Vice-President has declared in writing an emergency for the Town of Whitestown (whether for some or all employees), and/or (ii) during which the employee is activated as a member of the National Urban Search and Rescue Response System (e.g., Indiana Task Force 1) or other similar federal or state emergency response unit approved by the Town Council. Emergency differential pay will be calculated as the employee’s average hourly salary (total yearly salary divided by two thousand and eighty (2,080)) times one and one half (1.5), for each hour worked during the declared emergency in excess of forty (40) hours in a payroll week

2. The corrections set forth above supersede any inconsistent provisions in the 2020 Salary Ordinance. All other portions of the 2020 Salary Ordinance, including the corresponding Salary Matrix as set forth in Exhibit A thereto, shall remain in full force and effect.
