New Business- Public Hearing

Brian Stumpf – 11th Street Development, Noted corrections being made to UDO based on meeting with BAGI as well as mentioned follow up meeting with BAGI this week.

Kate Collins – BAGI, spoke briefly on how new UDO will affect their members and they look forward to keeping the same balance with new UDO as with the old. Also looking forward to working in and with the Town of Whitestown.

Conversation between commission and staff regarding moving forward with UDO as is and having a possibility of amendments later. Conclusion was that changes should be made prior to the approval of the UDO.

Matt Doublestein - Asked if we should include any anti-discrimination language in the UDO. It was discussed that the UDO purpose portion is written mirroring state law and that the anti-discrimination language should be in the comprehensive plan because the UDO is guided by the comprehensive plan.

Motion to table recommendation of the UDO until the next WPC meeting on 12/09/19 by Arthur. Second by McGee. Motion passes 6-0.

- b. Motion to approve the 2020 Whitestown Plan Commission hearing dates. There are no objections to dates through September and commission will motion again on the dates for October – December.
