- Rezone from AG to I-1 was adopted by Whitestown Town Council with a 5-0 vote on July 26<sup>th</sup>, 2018

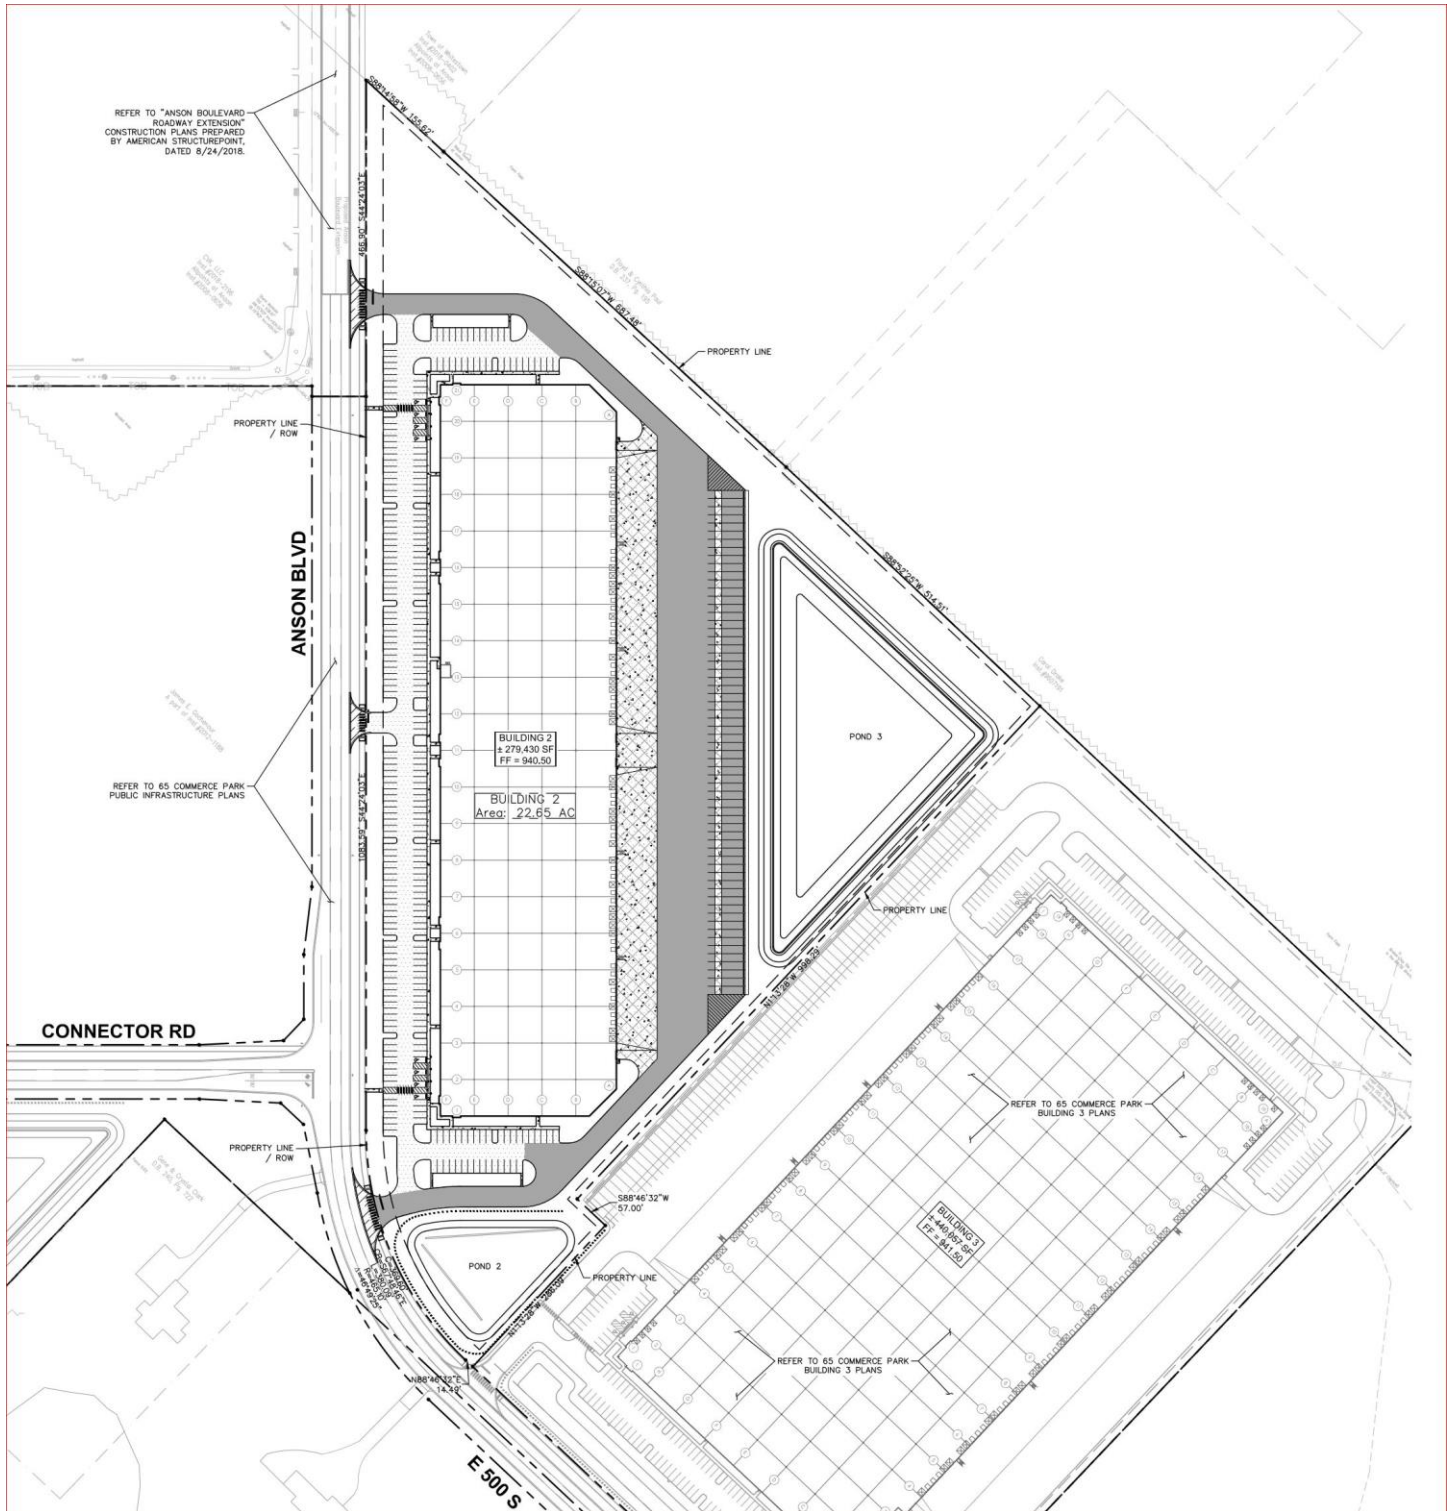

### Proposed Development

The subject property is approximately 22.65 acres and is located East of the future Anson Blvd. southern extension and north of CR 500 S. The petitioner, Strategic Capital Partners, LLC is proposing to develop an approximate 279,430 Square Foot industrial warehouse use building with associated access drive, parking areas and utilities to serve the building. The project is planned to be constructed at approximately the same time, as the 65 Commerce Park- Building 3 and 65 Commerce Park-Public Infrastructure projects. All three projects rely upon each other from a utility, access and grading perspective.

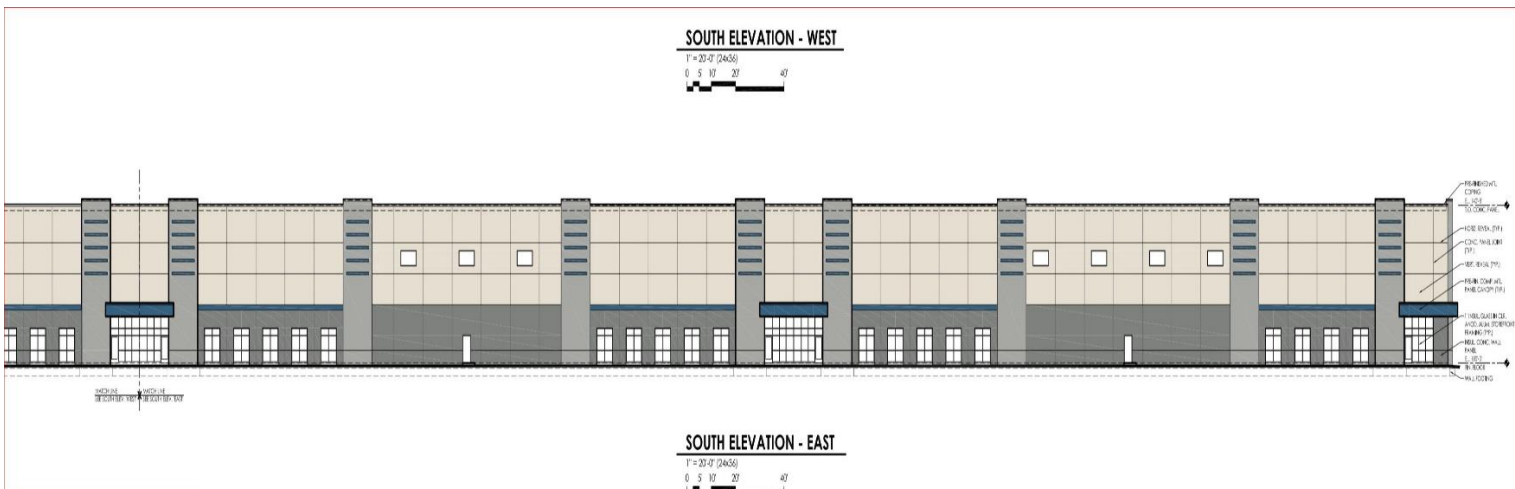

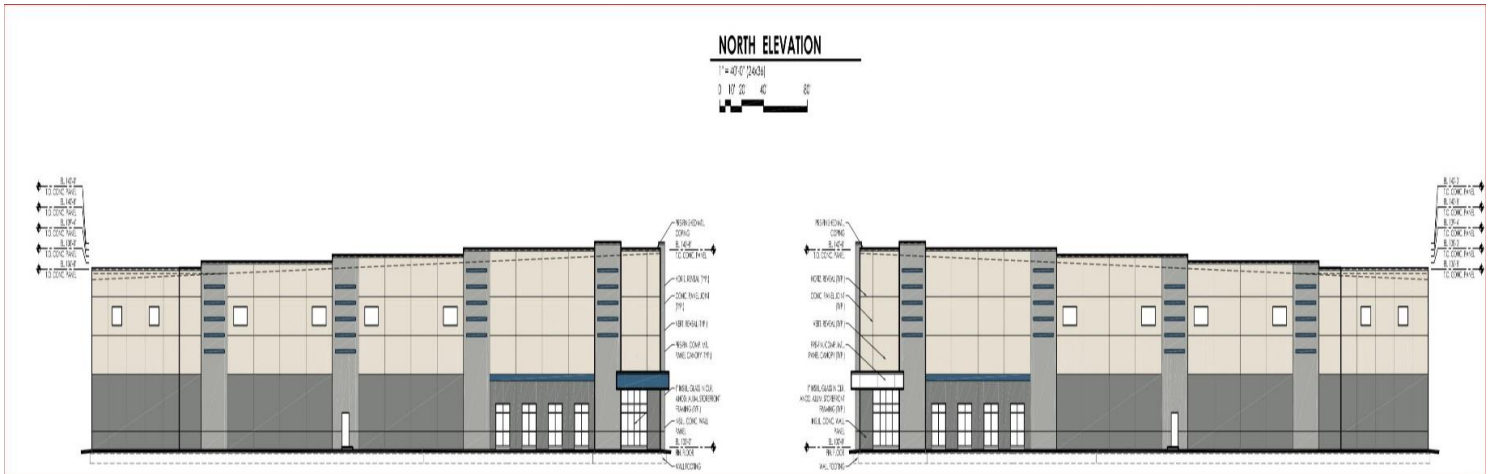

The development of the site will include approximately 290 parking spaces and 62 trailer parking spaces on the northeast side of the building. The site preparation will include grading the existing ground surface to meet layout and drainage as needed per local ordinances. Three entrance drives are proposed along the southwest side of the building off of the future extension of Anson Blvd. The far north and south entrances will be truck accessible, with the middle entrance being designed for passenger vehicles only. The traffic for the facility will utilize the proposed extension of Anson Blvd. / CR 500 S.
