Re: Town of Whitestown Road Inventory Certification

Mr. Acuff:

On behalf of the Town of Whitestown we are requesting an update to its INDOT road inventory. The following documents and files are submitted with this cover letter:

1. Road Inventory Unit Mileage Certification Change Request
2. GIS data shapefiles containing:
 - a. Corporate boundary
 - b. Existing roads
 - c. New roads
3. Road Mileage Table, Whitestown, Indiana dated December 2019, identifying additions from INDOT 2019 data.
4. Road Mileage Map, Whitestown, Indiana dated December 2019, showing existing roads and additions from INDOT 2019 data.
5. Letter from Town Council president, Clinton Bohm, accepting road additions shown on the map, table and GIS data files into the jurisdiction of the Town.

For the road mileage inventory for the Town of Whitestown please process the submitted information and make these revisions to the INDOT database. Should you have any questions or need additional information, please contact me.

Respectfully submitted on behalf of the Town of Whitestown, Indiana,

Please check one of the following:

No, We will not have any changes.

Yes, We have changes.

Before changes to your mileage can be made, you MUST include items 1 thru 4 for each new submission. For annexations you must include items 4 and 5.

1.) Copy of measurable (**scaled**) plats / aerial photos, showing new streets/roads.

2.) Copy of your current (**scaled**) map, marking location of plats in red. Mark streets/roads to be deleted/vacated in orange.

(a shape file will account for both items #1 and #2)

3.) Copy of minutes of governing body stating jurisdictional acceptance of new streets/roads into your system.

4.) Please list each road and its requested mileage as an attachment/separate listing.

n/a 5.) Copy of ordinance(s) establishing new corporation limits, along with drawing the correct corporation line on a scaled map or our map. (Annexations/De-annexations)

It helps us to have a surveyors drawing show the Metes and Bounds for the same and **NOT** by lot number references. **We will also need the names for roads annexed if different from the county.**

NOTE: If you have aerial photos showing the roads/subdivisions being submitted, please include them with your submittal as this will help with our processing your request. Please keep us current with changes to your corporation limits whether there are roads involved or not. This helps with maintaining accurate maps and may have a current or future impact on other related items such as functional classification and urban area boundary issues. You can request a copy of your inventory and/or what we have as the incorporated limits from our office. Specify the format you would need (hardcopy, PDF or shape file) and we will get that to you.

Should there be any questions, please call us at (317) 232-5482 or contact us at the address below.

Re: Town of Whitestown Road Inventory Certification

The Town Council concurs that the road inventory and corporate boundary shown on the attached map and table accurately reflect the public roads incorporated into the Town's transportation network.

The map and table are titled:

Road Mileage Map	Whitestown, Indiana	December 2019
Road Mileage Table	Whitestown, Indiana	December 2019

Further, the Town Council concurs that the associated GIS data files used to prepare the map and submitted to INDOT with the Road Inventory Mileage Certification Change Request, accurately represent the public roads accepted for the Town's maintenance inventory and that the corporate boundaries are accurate as of December 31, 2019.

The Council has taken appropriate action to accept the roads shown and agrees to maintain them as the Town's assets.

Respectfully submitted,

Town of Whitestown, Indiana

Clinton Bohm
Town Council President
