Dennis Otten, with Bose McKinney & Evans, states that back in 2014 the RDA did 2 issues of bonds. One was the Town Hall Bond and also did a series of redevelopment authority bonds to finance improvements to Perry Worth Rd as well as a utility building that got improved. Both bonds were purchased by Capital One. Robert Baird, have worked previously with underwritings, called, and said a deal has been working with Capital One. Even though our bonds are not callable they are willing to effectively swap them out for 1% interest savings. This is a refunding for savings.
