Fitness Membership Reimbursement Program

Full-time employees of the Town may qualify for monthly fitness/gym membership reimbursement. The employee must submit a reimbursement request in a form approved by the Town Manager, obtain pre-approval for the program, and meet applicable requirements to become eligible for any reimbursement. All memberships for which an employee will seek reimbursement must be pre-approved for reimbursement by the Town Manager or his/her designee before the employee incurs the membership expense. If membership is approved for the reimbursement program, the Town will reimburse future fitness/gym membership fees that were pre-approved up to \$40 per month upon completion and proof of requirements set forth below. Additional requirements and procedures for the program are set forth below.

A. Employee Eligibility

Only current, regular, full-time employees who have been continuously employed by the Town for six (6) months or more are eligible to receive reimbursement for eligible membership fees. Employees are ineligible if they are part-time employees, are on a leave of absence, are no longer employed with the Town at the time of reimbursement, or have received any written disciplinary action within a six month period prior to the date of the membership for which they are seeking reimbursement.

B. Eligibility of Membership

1. Membership must be with a credible fitness center / gym that is generally open to the public at large.
2. Visits to the fitness center must be taken outside of scheduled working hours.
3. The employee must maintain an acceptable level of job performance throughout the membership.

C. Application for Reimbursement

1. To be eligible for reimbursement, the membership must be approved prior to the employee incurring the expense for which it seeks reimbursement. That is, the employee cannot seek reimbursement for expenses he/she incurred prior to being pre-approved as an eligible membership.
2. The employee must submit a written Fitness Reimbursement Request Form to the Town Manager or his/her designee, and provide (i) proof of payment of the membership fee and (ii) proof from the fitness center demonstrating that

the employee engaged in physical activities at the gym for at least thirty (30) minutes on at least eight (8) separate days during the calendar month for which the employee seeks reimbursement.

3. The request for reimbursement must be submitted no later than sixty (60) days after the calendar month for which the reimbursement is sought.
4. Employees may only be reimbursed for actual membership fees incurred by the employee, and only for one membership per month. The maximum amount that may be reimbursed for any employee is \$40 per calendar month.
