**TOWN OF WHITESTOWN, INDIANA  
RESOLUTION NO. 2020-04**

**AN AMENDED AND RESTATED RESOLUTION TO EXPAND  
PERF OPTIONS FOR ELIGIBLE EMPLOYEES**

**WHEREAS**, the Whitestown Town Council is the governing body of the Town of Whitestown, a political subdivision in the State of Indiana (“Town”).

**WHEREAS**, for the purposes of this document and interpretation of statutes governing the Public Employees Retirement Fund (“PERF”), “Plan” refers to the public employees’ defined contribution plan under I.C. 5-10.3-12 (“My Choice: Retirement Savings Plan”), and “Fund” refers to the PERF Hybrid defined benefit pension fund (“PERF Hybrid”).

**WHEREAS**, political subdivisions may participate in the My Choice: Retirement Savings Plan and choose whether employees are required to become members of the **Plan**, the **Fund**, or may choose membership in either the **Plan** or the **Fund**.

**WHEREAS**, the Town has previously elected to participate and is a member of the **Fund**, prior to the option to choose membership in the **Plan**, and now desires to provide the option for eligible employees to elect to choose membership in the **Plan** or the **Fund**.

**WHEREAS**, the governing body is fully cognizant that, if it is resolved that the governing body will place any employees in the **Fund**, the percentage of cost of gross annual payroll of covered employees has be set at \_\_\_\_% [to be filled in INPRS] by the actuary of the **Fund**, and that the Board of Trustees of the Indiana Public Retirement System direct the actuary to annually review the status of the employees covered and shall adjust the cost percentage accordingly so the **Fund** will remain on an actuarially sound basis; and

**WHEREAS**, the governing body is fully cognizant that, if in resolving that the governing body will offer eligible employees a choice between **Fund** and **Plan** membership, the governing body shall submit a resolution with the following information regarding their participation in the **Plan**:

1. Specify the political subdivision’s contribution rate to the **Plan** as a percentage of each member’s compensation AND pay such contributions as required under I.C. 5-10.3-12-23; and I.C. 5-10.3-12-24.5. Such rates must be greater than or equal to zero percent (0%) and may not exceed the percentage that would produce the normal cost for participation in the fund under I.C. 5-10.2-2-11.
2. Specify the political subdivision’s matching rate that is the percentage of each member’s additional contributions to the **Plan** that the political subdivision will match. A political subdivision may specify only: (1) zero percent (0%); or (2) fifty percent (50%).
3. Specify whether the political subdivision will pay any part of a member’s contribution on behalf of the member.
4. Specify whether employees will automatically be enrolled in the **Fund** or the **Plan** if an eligible employee does not make an affirmative election.

**WHEREAS**, if such governing body participates in the **Fund**, such governing body acknowledges its liability and that, pursuant to law, it and its successors in office, must appropriate sufficient funds each

year to retire the employees' prior service liability in an orderly manner and also fund the current cost accruing annually.

**WHEREAS**, if such governing body participates in the **Plan**, such governing body acknowledges its liability and that, pursuant to law, it and its successors in office, must appropriate sufficient funds each year to meet all contribution obligations required by law.

**WHEREAS**, such governing body acknowledges and agrees to make a supplemental contribution to the fund in an amount necessary to pay the employer's share of the fund's actuarial unfunded liability that other employers would otherwise be required to pay because the employer's employees are becoming members of the **Plan** instead of the **Fund**.

**WHEREAS**, such governing body acknowledges and agrees, when an employee separates from service before the member is fully vested in the employer contribution subaccount, the amount in the employer contribution subaccount is forfeited as of the date the member separates from service and that such forfeited amounts shall be used to reduce the unfunded accrued liability of the fund as determined under IC 5-10.2-2-11(a)(3) and IC 5-10.2-2-11(a)(4). Employers without an unfunded liability, such as employers joining PERF for the first time and offering only **Plan** membership, such forfeited amounts will be returned to the employer in the form of a credit to the employer contribution subaccount.

**WHEREAS**, the General Assembly of the State of Indiana has authorized covered employers to pick-up all or part of members' mandatory contributions.

**WHEREAS**, the governing body has previously adopted Resolution 2019-33, A Resolution to Expand PERF Options for Eligible Employees, which is amended and restated by this Resolution.

**NOW, THEREFORE, BE IT RESOLVED** by the Town Council of the Town of Whitestown, Indiana in the State of Indiana:
