

Gateway Park RFP

The Parks staff has been working over the past months to put together and review a two-phase RFP package for the addition of a playground at Gateway Park. The Park was awarded a LWCF grant to match some of our funding in the form of a reimbursement. The following documentation includes a scoring form on how each RFP scored compared to the others. Based off the scoring guidelines, our department has chosen to go with Sinclair Recreation/Gametime. Also included are the proposed renderings and their associated quotes.

Due to shipping delays, materials shortages, and our proposed timeline the parks staff will be working with the Gametime staff to reconfigure the playground and combine to ensure we are able to get the playground finished in a timely manner that follows our grant timeline and proposed project timeline. Due to this, the budget may go over the initially quoted \$250,000.

An aerial rendering of a circular playground set on a green lawn. The playground features a central black metal climbing structure with orange safety caps. To the left, there is a swing set with two swings and a large, translucent blue canopy. To the right, there is a red slide and a red monkey bar structure. The entire play area is enclosed by a white circular border. The background shows a line of trees and a clear sky. The text "Intellectual property of GameTime, a PlayCore Company. The site shown in rendering is an interpretation and may not reflect exact site conditions." is visible in the top right corner. The text "Rendered in Custom Palette" is visible in the bottom left corner.
