Re: Town of Whitestown
Main Street Regional Lift Station – Contract B

Dear Mr. Powers:

We have reviewed the bids received by the Town of Whitestown on March 17, 2022 @ 2:00 pm EST for the above referenced project. Two (2) bids were received for this project as reflected in the certified bid tabulation as enclosed. The contractors that submitted bids and their respective bid amounts are as follows:

BIDS	INFRASTRUCTURE SYSTEMS, INC.	BRACKNEY, INC.
Base Bid	\$8,070,830.00	\$6,268,350.00

The engineer's estimate for the project was \$5,600,000.00 for the Base Bid, with all bids coming in slightly above the Base Bid estimate. The apparent low bidder is Brackney, Inc. with a Base Bid of \$6,268,350.00. We have reviewed the bid package and the documents for bidders which appear to be complete. Pursuant to the contract documents, the Town of Whitestown may reject any and all quotes, or accept any quotes as may be the lowest responsive and responsible bidder.

At this time we offer no objection to the awarding of this contract to Brackney, Inc.. for the base bid amount of \$6,268,350.00.

Sincerely,

A handwritten signature in blue ink, appearing to read 'John Nathan DeLisle', is written over the typed name.
