WHEREAS, the Town of Whitestown, Indiana (“Town”) owns and operates a waterworks pursuant to Indiana Code § 8-1.5 *et. seq.*, as amended, and other applicable provisions of Indiana law (collectively, the “Act”), for the purpose of providing for the furnishing of potable water and related services in the Town; and

WHEREAS, the current schedule of rates and charges for the waterworks of the Town are set forth in Ordinance No. 2017-06, as otherwise may have been amended from time to time (collectively, the “Prior Ordinances”); and

WHEREAS, on March 15, 2022, Governor Holcomb signed House Bill 1002 (“HEA 1002”), which effective July 1, 2022, repeals the Utility Receipts Tax (found at Indiana Code § 6-2.3, *et seq.*) (“URT”), which URT is not separately billed by the waterworks and is instead built into and recovered through the Town’s monthly water rates; and

WHEREAS, the financial advisors for the Town, O.W. Krohn & Associates, have provided a report determining the impact of HEA 1002 and the corresponding adjustment to the Town’s monthly usage charges consistent with HEA 1002; and

WHEREAS, the Town also desires to update the schedule for the private fire sprinkler line connection charge set forth in the Ordinance No. 2017-06 to include additional meter sizes consistent with the connections to the waterworks system; and

WHEREAS, all existing rates and charges as set forth in the Prior Ordinances will remain in full force and effect except as specifically superseded by the rates and charges set forth herein, and the rates and charges set forth herein will be applied in the same manner as set forth in the Prior Ordinances and policies of the Town.
