NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF WHITESTOWN, INDIANA, THAT:

Section 1. Findings; Public Benefits. The Town Council hereby finds and determines that the Project involve the acquisition, construction and equipping of an “economic development facility” as that phrase is used in the Act; that the Project will increase employment opportunities and increase diversification of economic development in the Town, will improve and promote the economic stability, development and welfare in the Town, will encourage and promote the expansion of industry, trade and commerce in the Town and the location of other new industries in the Town; that the public benefits to be accomplished by this Bond Ordinance, in tending to overcome insufficient employment opportunities and insufficient diversification of industry, are greater than the cost of public services (as that phrase is used in the Act) which will be required by the Project; and, therefore, that the financing of the Project by the issue of the Bonds under the Act (i) will be of benefit to the health and general welfare of the Town and (ii) complies with the Act.

Section 2. Approval of Financing. The proposed financing of the Project by the issuance of the Bonds under the Act, in the form that such financing was approved by the Town’s Economic Development Commission, is hereby approved. In connection with the financing of the Project, the refunding of the 2021 Bonds is hereby approved. In the event the Town Council President and Clerk-Treasurer are advised by the Town’s municipal advisor and bond counsel prior to the sale of the Bonds that the refunding of the 2021 Bonds would not be cost effective or otherwise advantageous to the Town, then in such case the Town may proceed with the issuance of the Bonds in such amount necessary only to fund the costs of the public infrastructure for the Project, including capitalized interest, if necessary, a reserve for the Bonds, if necessary, and costs of issuance thereof. The amount of the Bonds to be issued in such case shall be determined by the Town Council President and Clerk-Treasurer, with the advice of the Town’s municipal advisor and bond counsel. Further, in such event the Town is authorized to execute a supplement to the existing trust indenture for the 2021 Bonds in lieu of a separate trust indenture for the Bonds. The Town reasonably expects that costs will be incurred in connection with the public infrastructure for the Project prior to the issuance of the Bonds. The Town hereby declares its official intent pursuant to Treasury Regulations Section 1.150-2 and Indiana Code 5-1-14-6(c) to (i) cause such public infrastructure to be undertaken and completed in accordance with the Financing Agreements and (ii) reimburse certain costs thereof with proceeds of the Bonds.

Section 3. Authorization of the Bonds. The issuance of the Bonds, payable solely from revenues and receipts derived from the Financing Agreements, is hereby authorized.

Section 4. Terms of the Bonds. (a) The Bonds, in the aggregate principal amount not to exceed Twelve Million Dollars (\$12,000,000), shall (i) be executed at or prior to the closing date by the manual or facsimile signatures of the Town Council President and the Clerk-Treasurer of the Town; (ii) be dated as of the date of their delivery; (iii) mature on a date not later than twenty-five (25) years after the date of issuance; (iv) bear interest at such rates as determined with the purchaser of the Bonds in the Purchase Agreement; (v) be issuable in such denominations as set forth in the Financing Agreements; (vi) be issuable only in fully registered form; (vii) be subject to registration on the bond register as provided in the Indenture; (viii) be payable in lawful money of the United States of America; (ix) be payable at an office of the Trustee as provided in the Indenture; (x) be subject to optional redemption prior to maturity and subject to redemption as otherwise provided in the Financing Agreements; (xi) be issued in one or more series; and (xii) contain such other terms and provisions as may be provided in the Financing Agreements. The Bonds may be issued as taxable or tax-exempt for purposes of federal income taxation, as determined by the Town Council President and Clerk-Treasurer of the Town, prior to the issuance of the Bonds, with the advice of the Town's bond counsel.

(b) The Bonds and the interest thereon do not and shall never constitute an indebtedness of, or a charge against the general credit or taxing power of, the Town, but shall be special and limited obligations of the Town, payable solely from revenues and other amounts derived from the Financing Agreements. Forms of the Financing Agreements are before this meeting and are by this reference incorporated in this Bond Ordinance, and the Clerk-Treasurer of the Town is hereby directed, in the name and on behalf of the Town, to insert them into the minutes of the Town Council and to keep them on file.

Section 5. Sale of the Bonds. The Town Council President and the Clerk-Treasurer of the Town are hereby authorized and directed, in the name and on behalf of the Town, to sell the Bonds to the purchaser at the price, in the manner and at the time set forth in the Purchase Agreement, at such prices as are determined on the date of sale and approved by the Town Council President and the Clerk-Treasurer of the Town.

Section 6. Execution and Delivery of Financing Agreements. The Town Council President and the Clerk-Treasurer of the Town are hereby authorized and directed, in the name and on behalf of the Town, to execute and deliver the Financing Agreement, the Indenture, the Purchase Agreement and the Bonds, submitted to the Town Council, which are hereby approved in all respects.

Section 7. Changes in Financing Agreements. The Town Council President and the Clerk-Treasurer of the Town are hereby authorized, in the name and on behalf of the Town, without further approval of the Town Council or the Commission, to approve such changes in the Financing Agreements as may be permitted by Act, such approval to be conclusively evidenced by their execution thereof.

Section 8. General. The Town Council President and the Clerk-Treasurer of the Town, and each of them, are hereby authorized and directed, in the name and on behalf of the Town, to execute or endorse any and all agreements, documents and instruments, perform any and all acts, approve any and all matters, and do any and all other things deemed by them, or either of them, to be necessary or desirable in order to carry out and comply with the intent, conditions and purposes of this Bond Ordinance (including the preambles hereto and the documents mentioned herein), the Project, the issuance and sale of the Bonds, and the securing of the Bonds under the Financing Agreements, and any such execution, endorsement, performance or doing of other things heretofore effected by, and hereby is, ratified and approved.

Section 9. Binding Effect. The provisions of this Bond Ordinance and the Financing Agreements shall constitute a binding contract between the Town and the holders of the Bonds, and after issuance of the Bonds this Bond Ordinance shall not be repealed or amended in any respect which would adversely affect the rights of the holders of the Bonds as long as the Bonds or interest thereon remains unpaid.

Section 10. Repeal. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 11. Effective Date. This Bond Ordinance shall be in full force and effect immediately upon adoption.
