- xiii. **Danny Powers** – The thoroughfare plan identifies a need for a roundabout at Cardinal Point. Golf Club did make improvements but it will need to become a roundabout. We did traffic counts last year and we hope the midpoint will relieve as it is supposed to do when it opens this spring.

- xxi. **Phillip Snoeberger** – I know that the residents are frustrated with home builders. This is not the first time this has happened. I wish we could hold them more accountable.
- xxii. **Andrew McGee** – I understand as well, a different builder mislead about school districts. This is not a rezone but a permitted use under the PUD from 1999. Work with the developer.
- xxiii. **Nathan Harris** – This is just a concept. Consider breaking up some of the parking.
- xxiv. **Jon Hughes** – read emails – Tony Dinkle and Tony Lawler - To whom it may concern: 48 hours ago I received a notice of proposed apartment complex at the address : South-west and south-east of Whitestown parkway, and south county Rd 525. It's my understanding there is a public hearing today on this matter. Unfortunately, I will not be able to attend. (Disappointed in 2 days' notice) I want to state that I plan to oppose this project and do everything in my power to legally assure this construction project does not happen.
- xxv. **Nathan Harris** – If there is not an HOA, please put up signs.
- xxvi. **Phillip Snoeberger** – Can neighborhood meeting be a condition?

- xxx. **Phillip Snoeberger** – Question for staff if Concept Plan is approved when would they have to come back again for Concept Plan.
- xxxi. **Jill Conniff** – If the overall layout or density would change. We look mostly at access points and use at CP and they generally would not need to come back.
- xxxii. **Brandon Delk** – The access points will not change.
