General PD Updates

The officers at WMPD have continued to work diligently in their service and protection of the Whitestown Community. While it is difficult to account for every task and accomplishment on an individual and Department wide level, some updates and highlights are below.

- Members of the WMPD Recruiting Team were busy this month, attending the Criminal Justice Day at Ball State University as well as a Career Fair at Indiana University Kokomo. In order to recruit the best and brightest it is necessary to go and seek candidates out in a highly competitive field.
- Officer Sarah Anderson graduated from the Indiana Law Enforcement Academy on Friday April 21st, concluding 16 weeks of focused training to prepare her for the start of her law enforcement career. We are excited to get Sarah back at WMPD, and she started our Field Training program upon returning.
- Several of our members and their families participated in the 2nd Annual Battle of the Badges 5k put on by the Whitestown Parks and Recreation Department. The weather was skeptical at first, and a bit chilly, but ended up being perfect for the event.
