General PD Updates

The officers at WMPD have continued to work diligently in their service and protection of the Whitestown Community. While it is difficult to account for every task and accomplishment on an individual and Department wide level, some updates and highlights are below.

- WMPD’s 3 newest officers, Officer Chris Barrett, Officer Betsy Crawford, and Officer Cale McCarty successfully completed Patrol School, and join Officer Sarah Anderson in our Field Training Program.
- WMPD added our first 3 Ford Explorers to our Patrol Fleet. These new vehicles are active on Patrol and can be seen on almost all shift assignments. These vehicles look quite different as they are all black with white decals, sporting more of a “classic” police car look, as opposed to our all-white vehicles with black decals. These vehicles are also allowing WMPD the opportunity to look into the potential benefits of hybrid vehicles.
- WMPD members completed our Summer Voluntary Fitness Testing. This is our first of 2 bi-annual voluntary fitness tests that will be completed throughout the year, allowing officers to track their fitness improvement and accomplishments throughout the year.
