If you will require a bond for subcontract work, add \$7.50 per \$1000.00 quoted. There is a \$100.00 minimum charge.

No Railroad Insurance (if required) is included unless specifically indicated.

This quote is based on all work being contracted to Signal Construction Inc. Please contact us before 'Breaking out' any item(s).

This quote includes all necessary Maintenance of Traffic pertaining to our work. It is expected that construction signs and/or arrow boards or other like items will be furnished by the prime as required. SCI will be responsible for daily placement and removal as dictated by our work in progress.

Sign posts to be placed in paved or sidewalk areas must have cores or sleeves installed by the prime.

If you have any questions, please call Charlie Teschendorf at the above number, mobile 317-698-4267 or email - Charlie@signalconstruction.net.
