Company training hours - 902

Officer training hours - 110

Driver training hours - 5

Hazmat training hours – 127

All WFD members have been certified/recertified in Ice Rescue for the next 2 years:

- All WFD personnel participated in a total of 212 hours of instruction and scenarios.
- The certification process required all members to participate in an active rescue scenario.
- This training took place over three days at Boones Pond.
- The pond had frozen over and a hole was cut to simulate a victim falling through the ice.
- Each member made the rescue of a victim in the water.
- After instruction and practical skills, all members of the department were issued and passed the Ice Rescue test.
- All members are now proficient with ice rescue and certified by Dive Rescue International.
