Re: Community Crossings Paving Program
2023-2 Funding - Application #13096
Bid Certification and Award Recommendation

Dear Mr. Powers,

We have reviewed and certified the bids for the referenced project. Please see the attached documents. The apparent low, responsive, responsible bidder for the project is Midwest Paving, LLC. Their bid for Application #13096 is \$978,968.72. This amount falls within the INDOT funding award amount and now sets the Town's match amount for this application at \$510,017.61. This covers 50% of the CCMG eligible amount plus the additional \$41,066.49 non-CCMG eligible amount.

Upon legal review, the Town of Whitestown, at their discretion, may award the project accordingly. Once that is complete, documentation including the agreement between the Town of Whitestown and the awarded contractor will need to be sent to INDOT to obtain the funding for the project.

If you have any questions, please contact me.

Sincerely,

Josh Grabijas, P.E.
