Fire Training:

Total Hours: 884

Over 100 hours of this months total was engineer training. New hose was placed on L272 and this hose was tested with pressure and flow meters to ensure proper flow. This hose has a lower friction loss and requires new pump calculations. The Captain is working with the engineers to put together a new cheat sheet for the new hose.

100 hours of Officer training was reported as well. This includes training new backup officers as well as continued education for existing officers.

EMS Report:

EMS Training:

• EMS education	92
