Should the Contractor or any subcontractor of Contractor fail to cure within the Cure Period, the

Town has the right to terminate this Agreement without consequence. The E-Verify requirements of this Agreement will not apply, should the E-Verify program cease to exist.

This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

In addition, the Town and Contractor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

The Contractor shall provide the Owner, the Town, and IMPO with information required to certify and verify the suspension and debarment status for all subcontractors, vendors or other lower tier subrecipients under this Agreement. The Contractor shall immediately notify the

TOWN and IMPO if any subcontractor becomes debarred or suspended, and shall, at the TOWN's request, take all steps required by the TOWN and IEDC to terminate its contractual relationship with the subcontractor for work to be performed under this Agreement.
