Only after TOWN has approved Professional’s time and cost estimate for the provision of such additional Services, has encumbered sufficient monies to pay for same, and has authorized Professional, in writing, to provide such additional Services, shall such Services be provided by Professional to TOWN. A copy of the TOWN’s authorization documents for the purchase of additional Services shall be numbered and attached hereto in the order in which they are approved by TOWN.

- 4.2 Professional shall coordinate with TOWN its performance of the Services.
- 4.3 Professional shall provide the Services by following and applying at all times reasonable and lawful standards as accepted in the industry.

SECTION 5. COMPENSATION

- 5.1 Professional estimates that the total price for the Services to be provided to TOWN hereunder shall be no more than _____ Dollars (\$_____) (the "Estimate"). Professional shall submit an invoice to TOWN no more than once every thirty (30) days for Services provided TOWN during the time period encompassed by such invoice. Invoices shall be submitted on a form containing the same information as that contained on the Professional Services Invoice attached hereto as Exhibit B, incorporated herein by this reference. TOWN shall pay Professional for all undisputed Services rendered and stated on such invoice within sixty (60) days from the date of TOWN's receipt of same. Town shall not be subject to any late fees, service charges, or interest if payment is not made within sixty (60) days.
- 5.2 Professional agrees not to provide any Services to TOWN that would cause the total cost of same to exceed the Estimate, without TOWN's prior written consent.

SECTION 6. TERM

Unless otherwise terminated in accordance with the termination provisions set forth herein, this Agreement shall be in effect from the Effective Date until the Services are completed in full in accordance with this Agreement, unless otherwise agreed by the parties hereto.

SECTION 7. MISCELLANEOUS

7.1 Termination.

7.1.1 The obligation to provide all or any portion of the Services under this Agreement may be terminated by TOWN or Professional, without cause, upon thirty (30) days' notice.

7.1.2 The obligation to provide all or any portion of the Services under this Agreement may be terminated by TOWN, for cause, immediately upon Professional's receipt of TOWN's "Notice To Cease Services."

Disputed compensation amounts shall be resolved as allowed by law.

7.2 Binding Effect.

TOWN and Professional, and their respective officers, officials, agents, partners and successors in interest are bound to the other as to all Agreement terms, conditions and obligations.

7.3 No Third Party Beneficiaries.

Nothing contained herein shall be construed to give rights or benefits to anyone other than the parties hereto.

7.4 Relationship.

The relationship of the parties hereto shall be as provided for in this Agreement, and neither Professional nor any of its agents, employees or contractors are TOWN employees. Professional shall have the sole responsibility to pay to or for its agents, employees and contractors all statutory, contractual and other benefits and/or obligations as they become due. Professional hereby warrants and indemnifies TOWN for and from any and all costs, fees, expenses and/or damages incurred by TOWN as a result of any claim for wages, benefits or otherwise by any agent, employee or contractor of Professional regarding or related to the subject matter of this Agreement. This indemnification obligation shall survive the termination of this Agreement.

7.5 Insurance.

Professional shall procure and maintain with an insurer licensed to do business in the State of Indiana such insurance as is necessary for the protection of TOWN and Professional from all claims under workers' compensation, occupational disease and/or unemployment compensation acts, because of errors and omissions, because of bodily injury, including, but not limited to, the personal injury, sickness, disease, or death of any of Professional's employees, agents or contractors and/or because of any injury to or destruction of property, including, but not limited to, any loss of use resulting therefrom. The coverage amounts shall be no less than those amounts set forth on attached Exhibit C. Such insurance policies shall not be canceled without thirty (30) days' prior written notice to TOWN.

7.6 Liens.

Professional shall not cause or permit the filing of any lien on any of TOWN's property. In the event such a lien is filed and Professional fails to remove it within ten (10) days after the date of filing, TOWN shall have the right to pay or bond over such lien at Professional's sole cost and expense.

7.7 Default.

In the event Professional: (a) repudiates, breaches or defaults under any of the terms or conditions of this Agreement, including Professional's warranties; (b) fails to perform the Services as specified; (c) fails to make progress so as to endanger timely and proper completion of the Services and does not correct such failure or breach within five (5) business days after receipt of notice from TOWN specifying same; or (d) becomes insolvent, files, or has filed against it, a petition for receivership, makes a general assignment for the benefit of creditors or dissolves, each such event constituting an event of default hereunder, TOWN shall have the right to terminate all or any part of this Agreement, without liability to Professional and to exercise any other rights or remedies available to it at law or in equity.

7.8 Government Compliance.

Professional agrees to comply with all laws, executive orders, rules and regulations applicable to Professional's performance of its obligations under this Agreement, all relevant provisions of which being hereby incorporated herein by this reference, to keep all of Professionals' required professional licenses and certifications valid and current, and to indemnify and hold harmless TOWN from any and all losses, damages, costs, liabilities, damages, costs and attorney fees resulting from any failure by Professional to do so. This indemnification obligation shall survive the termination of this Agreement.

7.9.2 Any obligation TOWN has to indemnify Professional shall be limited by state and federal statutes and constitutional provisions designed to protect the exposure and liability of TOWN as an instrumentality of the State of Indiana or otherwise (e.g., actions and conditions as to which TOWN is immunized by the Indiana Tort Claims Act, dollar limits stated in such Act, exemption from punitive damages, the Eleventh Amendment, and the continued ability to defeat a claim by reason of contributory negligence or fault of a claimant), so that TOWN's liability to indemnify, defend, and hold harmless hereunder shall not in any case exceed what might have been its liability to a claimant had TOWN been sued directly by the claimant in Indiana and all appropriate defenses had been raised by TOWN, and provided further, in no event shall TOWN's obligation to indemnify hereunder exceed the value of the consideration paid by TOWN under this Agreement.

7.10 Discrimination Prohibition.

Professional represents and warrants that it and each of its employees, agents and contractors shall comply with all existing and future laws prohibiting discrimination against any employee, applicant for employment and/or other person in the subcontracting of work and/or in the performance of any Services contemplated by this Agreement with respect to hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, subcontracting or work performance hereunder because of race, religion, color, sex, handicap, national origin, ancestry, age, disabled veteran status or Vietnam era veteran status. This indemnification obligation shall survive the termination of this Agreement.

7.11 E-Verify

Pursuant to I.C. § 22-5-1.7 et seq., Professional shall enroll in and verify the work eligibility status of all of its newly-hired employees using the E-Verify program, if it has not already done so as of the date of this Agreement. Professional is further required to execute the attached Affidavit, herein referred to as Exhibit D, which is an Affidavit affirming that: (i) Professional is enrolled and is participating in the E-verify program, and (ii) Professional does not knowingly employ any unauthorized aliens. This Addendum incorporates by reference, and in its entirety, attached Exhibit D. In support of the Affidavit, Professional shall provide the Town with documentation that it has enrolled and is participating in the E-Verify program. This Agreement shall not take effect until said Affidavit is signed by Professional and delivered to the Town's authorized representative.

Should Professional subcontract for the performance of any work under this Addendum, the Professional shall require any subcontractor(s) to certify by affidavit that: (i) the subcontractor does not knowingly employ or contract with any unauthorized aliens, and (ii) the subcontractor has enrolled and is participating in the E-verify program. Professional shall maintain a copy of such certification for the duration of the term of any subcontract. Professional shall also deliver a copy of the certification to the Town within seven (7) days of the effective date of the subcontract.

If Professional, or any subcontractor of Professional, knowingly employs or contracts with any unauthorized aliens, or retains an employee or contract with a person that the Professional or subcontractor subsequently learns is an unauthorized alien, Professional shall terminate the employment of or contract with the unauthorized alien within thirty (30) days ("Cure Period"). Should the Professional or any subcontractor of Professional fail to cure within the Cure Period, the Town has the right to terminate this Agreement without consequence.

The E-Verify requirements of this Agreement will not apply, should the E-Verify program cease to exist.

7.12 Severability.

If any provision of this Agreement is held to be invalid, illegal or unenforceable by a court of competent jurisdiction, that provision shall be stricken, and all other provisions of this Agreement that can operate independently of same shall continue in full force and effect.

7.19 Representation and Warranties.

Each party hereto represents and warrants that it is authorized to enter into this Agreement and that any person or entity executing this Agreement on behalf of such party has the authority to bind such party or the party which they represent, as the case may be.

7.22 Copyright.

TOWN acknowledges that various materials which may be used and/or generated by Professional in performance of Services, including forms, job description formats, comprehensive position questionnaire, compensation and classification plan and reports are copyrighted. TOWN agrees that all ownership rights and copyrights thereto lie with Professional, and TOWN will use them solely for and on behalf of its own operations. TOWN agrees that it will take appropriate action with its employees to satisfy its obligations with respect to use, copying, protection and security of Professional's property.

7.23 Personnel.

Professional represents that it has, or will secure at its own expense, all personnel required in performing the services under this Agreement. Such personnel shall not be employees of or have any contractual relationship with TOWN. All of the services required hereunder will be performed by Professional or under his supervision and all personnel engaged in the work shall be fully qualified to perform such services.

7.24 Records and Inspections

Professional shall maintain full and accurate records with respect to all matters covered under this agreement for three (3) years after the expiration or early termination of this agreement. TOWN shall have free access at all proper times to such records and the right to examine and audit the same and to make transcripts there from, and to inspect all program data, documents, proceedings and activities.

7.25 Accomplishment of Project

Professional shall commence, carry on, and complete the project with all practicable dispatch, in a sound economical and efficient manner, in accordance with the provisions thereof and all applicable laws. In accomplishing the project, Professional shall take such steps as are appropriate to ensure that the work involved is properly coordinated with related work being carried on within TOWN's organization.

7.26 Debarment And Suspension

7.26.1 The Professional certifies by entering into this Agreement that neither it nor its principals nor any of its subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Agreement by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Agreement means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Professional.

7.26.2 The Professional certifies that it has verified the state and federal suspension and debarment status for all subcontractors receiving funds under this Agreement and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred subcontractor. The Professional shall immediately notify the TOWN if any subcontractor becomes debarred or suspended, and shall, at the TOWN's request, take all steps required by the TOWN to terminate its contractual relationship with the subcontractor for work to be performed under this Agreement.

7.27 Access to Public Records Act

The Professional and its personnel have no authority to exercise any control over any construction contractor or its employees in connection with their work or any health or safety programs or procedures.

7.30 Non-Appropriation Clause.

The parties acknowledge that TOWN is a governmental entity whose funds are subject to appropriation by its fiscal body. If at any time during any term of this Agreement, the fiscal body of TOWN should fail to appropriate sufficient funds to continue this Agreement, this Agreement shall become null and void. In the event of non-appropriation of funds, TOWN will give notice to Professional immediately of such failure and shall pay Professional for all Services provided prior to the exhaustion of the appropriated funds. TOWN agrees to seek funding for the continuation of this Agreement during each budget cycle during any term of this Agreement.

APPENDIX "A"

Scope of Services

Town of Whitestown, Indiana On-Call Engineering Services CCMG 2025-2 Funding Cycle and PAMP Update

HWC Engineering (HWC) shall provide general engineering consulting services to the Town of Whitestown (CLIENT) related to transportation and/or infrastructure projects on an "as needed" basis as directed by the CLIENT. The fee for these basic services shall be based upon the actual number of hours expended (including mileage expenses, if applicable) and the appropriate hourly rate as further defined in Appendix "B" and shall not exceed a total of **sixty thousand dollars and no cents (\$60,000)** during the life of this agreement without written approval.

Specific work tasks may include the following:

- 1. 2025-2 CCMG Project Development/Applications** – This on-call contract is based upon an assumption of one (1) application for basic HMA overlay type projects similar in scope to the CLIENT's 2024-2 projects. Upon notification from the CLIENT regarding road priorities, desired scope of work, and available match/budget levels (minimum of 5 months prior to the 2025-2 Call for Projects opening date), HWC will perform field checks/scoping visits and preliminary estimates for review and approval by the CLIENT. Repetitive changes to the road priorities, desired scope of work, etc. will require additional time and costs to be incurred. HWC will then finalize detailed estimates, complete project development (including bid specifications), and compile necessary attachments which currently consists of 1) Detailed Estimates 2) Financial Commitment Letter and 3) 2024 LTAP Database Asset Management Approval Letter. CCMG application submittal is required by INDOT to be performed by the CLIENT. HWC will travel to the CLIENT's location or advise via phone or email to assist with this submittal through ITAP if desired. *INDOT has directed that projects should be shovel ready (Project Development and/or Design completed) prior to applications being submitted. If an LPA desires to apply for CCMG funding for a more complicated improvement (survey, geotechnical investigations, reconstructions, added drainage features, change in roadway profile, new or modified ADA ramps/sidewalks, curb/curb & gutter, utility impacts, R/W impacts, permitting, railroad coordination, etc.), a detailed scope and associated design will be required prior to application submittal. Adjustments to estimates after application submittal and approval are considered ineligible and would require 100% local funding. If more complicated improvements such as those above and/or related design/survey/hydraulic/permitting/etc. services are required, HWC will negotiate that project outside of this on-call contract. Additional time prior to the 2025-2 Call for Projects opening date will also be required to complete these tasks.*
- 2. 2025-2 CCMG Bid Documents/Bidding** – Upon INDOT notification to the CLIENT of a CCMG award, HWC will assist with the preparation of the appropriate bid documents that comply with Indiana requirements. HWC will assist with review of Matching Grant Agreements. HWC will compile bid documents (Project Manual) based upon the approved CCMG project development/applications and assist with bidding services. Bidding services include 1) preparation of a legal advertisement for the CLIENT to post in a local newspaper (costs to be incurred by the CLIENT) 2) posting bid documents on the online HWC plan room for distribution of documents to contractors desiring to bid the project 3) travel to and attend/conduct the bid opening 4) certify the bids and provide a

recommendation to the

Town of Whitestown
On-Call Engineering Services – CCMG 2025-2 and PAMP Update
Appendix "A"

CLIENT as to the low, responsible bidder 5) compile the INDOT Notification of Contractor Award & Request for Funding documents and 6) compile the Notification of Award to the Contractor.

3. **2024-2 CCMG Project Closeout** – HWC will assist the CLIENT with assembling the required closeout documentation and reconciling the project costs. HWC will compile the required closeout letter and associated spreadsheets for INDOT submittal based upon the Contractor’s final invoicing which must be broken down and reported by 1) each individual DES# 2) associated road segments including listings of to/from points 3) individual contract pay items for each 3) contract quantities 4) unit prices 5) final quantities placed and 6) underrun, plan, or overrun quantities. Copies of the Contractor’s secured bid and copies of cancelled checks/proof of payment must also be submitted to INDOT as required within 30 days of final payment.

4. **2025 PAMP Update** – The PAMP is a working document and should be kept current each year with respect to roads that were treated in the prior year and the roads that will be part of next year’s improvement plan. The PAMP is a working tool for the LPA. INDOT requires a major update to the PAMP every 2 years. As the CLIENT’s last major update was performed in 2023, the 2025 PAMP Update will consist of a major update. A major update involves re-rating all the streets or roads and preparing a full update to the document as required by INDOT and LTAP. Minor updates are the years between the major updates and involves updating the information necessary for the CCMG application. PAMP updates are submitted through LTAP for approval, which is required as part of the CCMG application. LTAP has a new database and is requiring that all PAMP information is updated and uploaded to this database annually regardless of whether it is a major or minor update. This requires the LPA to set up an LTAP account. If desired, HWC will upload the CLIENT information to the LTAP database for submittal of the PAMP on behalf of the CLIENT. This requires the LPA to provide HWC working access to their LTAP account. The 2025 PAMP Update approval is required by 12/1/25 to be eligible for the 2026 calls.

This contract has been prepared based upon the known CCMG, LTAP, and INDOT requirements as of the date of compilation. As the CCMG program continues to evolve, should additional requirements be instituted by INDOT that require additional efforts to be performed, additional costs may be required.

No work will be performed under this agreement without authorization from the CLIENT. Email is acceptable for the purpose of documenting directed work.

At the CLIENT’s request, larger individual projects may be defined and negotiated separately. Each individual project excluded from the retainer agreement assigned by the CLIENT to HWC will require separate authorization by the CLIENT following negotiation with HWC. Said authorization by the CLIENT can be made verbally but must be followed with a written agreement within thirty (30) days.
