### **A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF WHITESTOWN, INDIANA COMMITTING TO A GOAL TO ELIMINATE ROADWAY FATALITIES AND SERIOUS INJURY BY 2040 ON THE STREETS WITHIN THE TOWN OF WHITESTOWN**

**WHEREAS**, the life and health of all persons living and traveling within the Town of Whitestown, Indiana (“Town”) are the Town Council’s utmost priority, and no one should die or be seriously injured while traveling on Town streets;

**WHEREAS**, the Town Council recognizes that traffic deaths and serious injuries are not Inevitable, and Vision Zero is the concept that this is unacceptable;

**WHEREAS**, Vision Zero is a holistic strategy aimed at eliminating all traffic fatalities and severe injuries suffered by all roadway users while increasing safe, healthy, equitable mobility for all;

**WHEREAS**, streets and transportation systems have traditionally been designed primarily to move motorists efficiently, and Vision Zero supports a paradigm shift by designing streets and transportation systems to move all people safely, including people of all ages and abilities, pedestrians, bicyclists, public transit users, and motorcyclists, as well as drivers and passengers of motor vehicles;

**WHEREAS**, Vision Zero recognizes that people will sometimes make mistakes, so the roadway system and related policies should be designed to ensure that those inevitable mistakes do not result in severe injuries or fatalities; therefore, transportation planners and engineers and policymakers are expected to improve the roadway environment, policies, and other related systems to lessen the severity of crashes;

**WHEREAS**, making streets safer for all people using all modes of transportation will encourage people to travel on foot, by bicycle, and by public transit, which supports a healthier, more active lifestyle and reduces environmental pollution;

**WHEREAS**, successful Vision Zero programs are a result of both a complete government approach (i.e., interdepartmental, coordinated initiatives) and community support of Vision Zero objectives and action plans;

**WHEREAS**, Vision Zero resolutions have been adopted by many jurisdictions across the United States; and

**WHEREAS**, this 2024 Vision Zero Resolution is a required component of the Safe

Streets and Roads for All Action Plan; and
