# General PD Updates

The officers at WMPD have continued to work diligently in their service and protection of the Whitestown Community. While it is difficult to account for every task and accomplishment on an individual and Department wide level, some updates and highlights are below.

- Lieutenant Darrick Deeter & Sergeant Scott Klinger successfully completed and graduated from the IMPD Leadership Academy on June 6<sup>th</sup>, 2025. This academy consisted of four rigorous weeks of classwork, lecture, group exercises, capstone case studies, and essays all with the intent to improve police agencies across the state, as well as lead the next generation of police officers. We are thankful to IMPD for not only hosting this course to build resilient leaders, but for opening it to WMPD and agencies throughout the state to network, collaborate, and empower police leaders. This was our third group of students who have successfully graduated, and it is our mission to continue sending leaders within WMPD to constantly improve ourselves and our service to the community!
- Our Summer Bike With A Cop (BWAC) program has kicked off! Keep an eye out for when we will be in your neighborhood or feel free to join in at another location throughout the summer. Don't forget your helmets!!

## Training Division

WMPD strives to ensure that our members are mentally and physically prepared to best serve and protect our community by going above and beyond in our training efforts. This month, our officers were busy completing **605 hours of training**. Various disciplines were covered in our training efforts including firearms, physical tactics, use of force, Emergency Medical, leadership, legal updates, administrative updates, and simulator/scenarios. Some training highlights from this busy month are below.

- All WMPD members completed annual recertification for Taser 10 along with CPR/AED & Choking.
- All WMPD members completed a 2-hour state mandated virtual course on Emotional Survival in Law Enforcement.
- All WMPD members hired in the last year attended training with Sylvia's Child Advocacy Center (CAC) to learn more about their role and how they are an asset to law enforcement.
- Two of our officers attended NORSE Patrol Tactics School, where they spent three days conducting live range firearms training as well as Close Quarter Tactics (CQT).
- Two of our officers attended Critical Incident Stress Management certification, building upon our Wellness Program and adding officers specifically trained to respond to critical incidents and best assist other officers in a crisis.
