The Town will make a determination, in its sole and absolute discretion, as to the most appropriate response to the RFP. The Town requests the following information from the Offerors and such information will be used by the Town in making its final determination:

- (a) Adherence to minimum specifications

The Proposals will be reviewed by an evaluation panel consisting of individuals selected by the Town.

Proposals will be reviewed using the following criteria:

- (a) Conciseness, responsiveness, and completeness of the Proposal to the information requested as outlined in the RFP;
- (b) Adherence to minimum specifications
- (c) Expediency of delivery
- (d) Warranties
- (e) Price: include an all-inclusive price for the Vehicles
- (f) Performance-enhancing, or cost-saving features of the Vehicles

At the Town's discretion, to further assist in evaluation, some, one, or all responding Offerors may be requested to participate in discussions or negotiations. At

the Town's discretion, the Town may directly negotiate with any one or all Offerors on specifications, price, or any other aspect of the Proposal. The Town may select multiple Offerors for the RFP. The Town may also consider alternative proposals if there is an opportunity for savings and other benefits accruing to the Town.

The Town may investigate the qualifications of any Offeror, require confirmation of information furnished, and require additional evidence of qualifications to provide the Vehicles requested by this RFP. The Town also reserves certain rights, including, but not limited to, the following: (a) Reject any or all Proposals; (b) Issue subsequent RFPs; (c) Cancel the entire RFP; (d) Remedy any errors in the RFP process; (e) Appoint evaluation committees to review qualifications and Proposals; (f) Seek the assistance of outside technical experts in evaluation; (g) Approve or disapprove of the use of particular subcontractors; (h) Establish a shortlist of eligible Offerors for discussions or negotiations after review of Proposals; (i) Negotiate with any or all Offerors; (j) Solicit best and final offers from all, some, or none of the Offerors; (k) Purchase the Vehicles from all, some, or none of the Offerors; (l) Waive informalities and irregularities in the RFP; and (m) Purchase the Vehicles without discussions or negotiations.

The Town's selection of a Proposal will be based on a determination as to which Proposal is in the best interest of the Town. Price will be an important factor in the Town's decision, but it will not be controlling. Any decision made by the Town, including selection of a Proposal, shall be final and is NOT SUBJECT TO APPEAL.

This RFP shall not, in any manner, be construed to be an obligation on the Town to enter a contract or purchase the Vehicles or result in any claim for reimbursement of cost for any efforts expended in responding to the RFP or in anticipation of any contract.

SECTION 8. Proposals

Offerors shall submit one (1) Proposal originally executed. The proposal must include Exhibit A Work Vehicles RFP Form, Exhibit B Non-Collusion Affidavit form, and the manufacture specification sheet for each of the Vehicles. The original should be submitted in a sealed envelope, conspicuously marked: "Work Vehicles Whitestown Building Department." Evidence of financial responsibility is not required to be submitted with the Proposal.

Proposals will be opened so as to avoid disclosure of contents to competing offers during the process of negotiation. However, all Proposals and other documentation arising out of this RFP may be public records that may ultimately be subject to disclosure under Indiana law. If an Offeror believes that any portion of its Proposal may contain proprietary information, then that portion of the Proposal shall be sealed separately and clearly marked "Proprietary Information" and contain a request that such information be treated as confidential. The Town will review and consider such requests, in its sole and absolute discretion.

Each Offeror must certify that it has not participated in collusion or other anticompetitive practices in connection with the RFP process by executing and returning with its Proposal the Non-Collusion Affidavit in the form of Exhibit B.

SECTION 9. General Terms and Conditions of the RFP process

9.1. Information provided

9.4. Costs and expense of Offerors

The Town does not accept any liability under any circumstances for any costs or expenses incurred by Offerors in acquiring, clarifying, or responding to any condition, request, or standard contained in this RFP, including, without limitation, mandatory meetings. Each Offeror that participates in this process does so at its own expense and risk and agrees that the Town shall not reimburse any costs incurred during this process, and each Offeror shall indemnify and hold harmless the Town from and

against any claims (including any costs and attorney's fees) for such reimbursement, directly or indirectly, made by or on behalf of such Offeror.

FORD MOTOR COMPANY WARRANTY COVERAGE

This chart gives a general summary of your warranty coverage provided by Ford Motor Company under the **New Vehicle Limited Warranty**. Please refer to the description of warranty coverage for more specific information.

For each type of coverage, the chart shows two measures:

- years in service
- miles driven

The measure that occurs first determines how long your coverage lasts. For example: Your Bumper to Bumper Coverage lasts for three years - unless you drive more than 36,000 miles before three years elapse. In that case, your coverage ends at 36,000 miles.
