**Proposal: 24" Ductile Iron Gravity Sewer, Whitestown, IN  
Cured-In-Place Rehabilitation**

Dan,

Inliner Solutions, LLC is pleased to offer the following proposal pricing to provide cured in place rehabilitation services of the 24-Inch sanitary sewer line for the above-mentioned project. Our proposal is based on the documents provided in your email. This pricing includes all labor, material, supervision, and equipment necessary to complete the scope of work as listed below.

Scope of work performed by Inliner Solutions, LLC:

1. Provide pre-work submittals.
2. Inliner Solutions, LLC will perform pre-rehab CCTV & cleaning. Scale removal on DIP limited to 2,000 PSI jetter. Heavy cleaning, chain cutting if needed, will be billed at a T&M rate. Manhole access via two-wheel drive vehicles is required.
3. CIPP rehabilitation to be completed per ASTM 1216 standards utilizing water inversion & curing methods.
4. Reinstatement of service laterals is via internal robotic cutter only (if required).
5. Inliner Solutions, LLC will perform post-lining CCTV inspection upon completion of our CIPP to confirm rehab work. One (1) post-CCTV video immediately following installation of CIPP is included in pricing. Additional post-CCTV inspections subject to additional charges.
6. CIPP rehabilitation pricing is based on completing diameters & associated quantities as listed in this proposal's schedule of values. Any change in overall or segmental length, diameters or liner thickness could result in pricing changes.
7. Demobilize all construction equipment and clean-up of all identifiable debris generated by Inliner Solutions, LLC crew(s).
8. Proposal includes costs for one mobilization. Additional mobilizations could result in additional charges.
9. Deliverables include completed CIPP, materials testing per ASTM D790, pre- and post-CCTV inspections, PACP log reports, and PACP database (for GIS updates, if needed).

**Inliner Solutions, LLC proposes to complete the above scope of services for the prices listed below:**

<b>Item No.</b>	<b>Description</b>	<b>Qty</b>	<b>Unit</b>	<b>Unit Price</b>	<b>Total</b>
1	Mobilization	1	LS	\$ 10,000.00	\$ 10,000.00
14	24" CIPP	190	LF	\$ 400.00	\$ 76,000.00
<b>TOTAL:</b>					<b>\$ 86,000.00</b>

Excluded from the Scope are the following:

1. Bid, Performance, or Payment Bonds.
2. Sales and/or Use tax. All applicable taxes will be applied unless provided with a tax-exempt certificate.
3. Disposal location for debris collected during cleaning. Vac truck to be provided by Owner if needed for debris collection after cleaning.
4. Dye Testing, launching, lining, or sealing of service laterals.
5. Whitestown is responsible for providing adequate upstream & downstream access to proposed lines, including but not limited to precast removal/replacement, access/easement clearing, roads, staging, & inversion areas, etc. (should it be required). Inliner Solutions, LLC and/or its subcontractors must be able to set up over each manhole.
6. Erosion or site control including plans, permits, implementation, inspection, etc.
7. Reinstatement of service laterals (other than by internal means only) or lateral rehabilitation or service reconnections of any kind, including but not limited to pipe bursting or open cut replacement. Dewatering, grouting, monitoring, point repairs (internal or open cut), new installation, structure modification, etc. to be handled by Others if required.
8. Bypass of any kind.
9. Traffic control outside of temporary signs & cones.
10. Testing outside of material physical properties.
11. Site restoration of any kind including, but not limited to- grading, grassing, concrete, or asphalt work.
12. Any permits or fees, including fees for water source for pipe cleaning or CIPP. Source and any associated fees to be provided by Others.
13. Changes in pipe diameter, quantities, liner thickness, or lengths (overall or segmental) could result in pricing changes. Pricing based on completing all listed quantities in one mobilization.
14. Costs for site specific training/badging (safety, security, or otherwise).
15. Any work not specifically detailed in this proposal.
16. Pricing firm for 30 days from date of this proposal. This proposal shall become an exhibit or attachment to any contractual agreement. After expiration, this proposal is deemed invalid or subject to adjustment and reissued accordingly.
17. Proposal pricing based on net 30-day net payment terms from the date of invoice.

Thank you for the opportunity to offer you this proposal. Should you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,  
***Inliner Solutions, LLC***
