c. UDO Chapter 6 – Lighting Standards

Will be including some of the sign standards in this portion as well.

Noah Pappas - Any suggestions for the upcoming ordinance that will be reviewed.
Phillip Snoeberger – Signage in good standing, if damaged should be replaced or removed.

Nathan Harris – construction signage, a piece if construction has stopped add a

pieced where the signs should be removed within a timeframe.

Tobe Thomas – asked if surrounding communities are also being reviewed when making the changes to the UDO.

Noah Pappas – yes, the surrounding communities are reviewed when making the changes to the UDO.

Phillip Snoeberger – how does it work when there is a construction trailer with a sign parked on the lot.

Todd Barker – yes, the UDO can specify that a trailer sign is not a permitted review. They would also have to supply information on a temporary sign review and if it didn't meet the size requirement.

Allan Henderson – there is a difference between a trailer with a sign vs a car this has a wrap for advertising.

Nathan Harris – in favor of a temporary sign permit.

Noah Pappas – any thoughts or ideas on closures, landscaping, signs, monument sign landscaping.

Phillip Snoeberger – agree that the landscaping around the monument signs does look nice.

Phillip Snoeberger – what is envisioned on the dumpster enclosure?

Noah Pappas – there needs to be a certain type of barrier with limitations on the structure.
