### Fire Training: Total Hours – 1063

Here’s a quick overview of what we’ve been focusing on:

- We completed a full scenario complex extrication training involving four vehicles and a simulated field amputation using a cow leg for realism.
- Crews spent significant time at the training tower and conducted company-level trainings to meet ISO requirements.
- We began development on a Whitestown Officer Candidate School program and started planning for bi-annual engineer competency training and evaluations.
