ABOUT US

The Whitestown Parks Foundation was created to help support the events put on by the Whitestown Parks Department. With the Foundation's help, the Parks Department has been able to grow immensely over the past few years.

Today, the Foundation raises and collects funds to create events that the town knows and loves. The foundation funds almost all of the events that the Parks Department puts on for the community as well as supports other projects that the department develops.

WHY SPONSOR?

The Whitestown Parks and Recreation Department plans and hosts many great community events throughout the year! These events highlight our wonderful parks and amenities, as well as create a sense of community for residents and visitors. We could not do what we do without your support! All sponsorship dollars go directly towards funding our events.

On-site Activation Space

An on-site activation space is the 10x10 area given to sponsors at our events. Sponsors are able to use this space to set up a tent, tables, and any other promotional signs and items they wish to display at the event. Activation spaces allow you to be present at the event, offer face to face interactions with the community, and help you promote your business!

On-site Sponsor Banner

On-site sponsor banners are mesh banners that feature your company's logo and are prominently displayed at our events. These banners offer an excellent opportunity to showcase your brand, boost visibility, and enhance logo recognition among attendees!

Social Media Mentions

Your business will be tagged on social media the amount of times listed in your sponsorship tier. You will only be tagged in the posts made about the event you are sponsoring. Social media posts can be found on the Whitestown Parks and Recreation pages on Facebook (@whitestownparksandrec) and Instagram (@whitestownparks)!
